

WordPress PreCamp 2015

Start Screen - <https://ua.siteground.com>

The image shows a user login form for SiteGround. The form is centered on a dark gray background. At the top left of the form is the SiteGround logo, and at the top right is the text "USER LOGIN". Below the logo is the label "Username:" followed by a text input field containing the placeholder text "type your username" and an asterisk. To the left of the input field is a small icon of a person. Below the username field is the label "Password:" followed by a text input field containing the placeholder text "type your password" and an asterisk. To the left of the input field is a small icon of a padlock. To the right of the password field is a link that says "Forgot Your Password?". At the bottom center of the form is a green button with the text "LOGIN". At the very bottom of the page, below the form, is the text "SiteGround • Get Hosting • Become Affiliate".

Setup WP Admin User and Pass

The screenshot shows the SiteGround Account Setup Assistant interface. At the top, the SiteGround logo is visible. The main heading is "pca15990.siteground.net Account Setup Assistant". Below this, there are three progress steps: "1. Website Preferences", "2. Software Installation" (highlighted in orange), and "3. You're set!".

A lightbulb icon is followed by a paragraph: "So you need WordPress software for your website. This last step of our setup process will ask you to choose WordPress login details and preferences. Once you submit them, we will install your WordPress for FREE with the data provided in this form."

The section "Choose Login details for WordPress:" contains a sub-heading: "These are the user and pass through which you will log into the backend of the WordPress software to manage your site." Below this are four input fields: "Admin email:", "Username:", "Password:", and "Re-type password:". A red circle highlights these four fields.

The section "Choose a web design template to be installed along with your WordPress:" contains a sub-heading: "The design found at our WordPress website is not included in our WordPress template software. If you do not have a design, you can choose from the following designs." Below this are three template preview cards, each with a "Preview" button and a "Get Template" button.

At the bottom, there is a red "SUBMIT" button and a "Remind me later" link with a right-pointing arrow.

Update Payment Info

The screenshot shows the SiteGround user dashboard. At the top left is the SiteGround logo. At the top right, a user profile for 'PreCamp Asheville' is visible with a notification badge for 1 unread message. Below the header is a navigation menu with tabs for Home, My Accounts, Support, Billing, Referral Deals, Add Services, and Resources. The main content area is divided into several sections. The 'IMPORTANT MESSAGES' section at the top left contains a red notification: 'Your payment information is outdated.' with a 'View' button. Below this is the 'CURRENT PROMOTIONS' section, featuring a 'GET NEW DOMAIN AND WIN FREE HOSTING' promotion for .com and .net domains, powered by Verisign. A search bar and 'Check Domain' button are present. The bottom of this section has a 'RECOMMEND US AND GET FREE HOSTING!' banner. On the right side, the 'GET STARTED' section includes links for 'WordPress Tutorial', 'Getting Started Tutorial', 'Learn About cPanel', and 'Learn About Email'. Below that is a 'WANT TO MAKE MONEY? BECOME AN AFFILIATE' banner with a 'Click Here To Start Now!' button. At the bottom right, the 'WHAT'S NEW' section includes social media icons for Facebook, Twitter, and a general share button.

Credit Card Info

The screenshot displays the SiteGround user interface. At the top left is the SiteGround logo. On the top right, a user profile box shows 'Hello, PreCamp Asheville' with a notification icon and the number '1', along with links for 'My Details' and 'Logout'. A navigation bar below the logo contains tabs for 'Home', 'My Accounts', 'Support', 'Billing', 'Referral Deals', 'Add Services', and 'Resources'. The 'Billing' tab is active.

A red notification banner at the top of the main content area reads: 'You have no payment method on file. Having a payment method helps you prevent service interruptions. Please use the tools below to add credit cards for payment.'

The main content area is titled 'MANAGE PAYMENT DETAILS' and includes the following text: 'Keep at least one Active card on file to prevent service interruption at due date. We recommend you to have an active alternative card too. Please use the tools below to manage your payment methods.'

The 'Add a Card' form is highlighted with a red circle. It features a header with the Visa and Mastercard logos and the text 'Add a Card'. Below this are the following fields: 'Card Number*' (with a lock icon and logos for Mastercard and Visa), 'Expiration*' (with dropdown menus for 'month' and 'year'), 'Cardholder*', and 'CVV Code*' (with a question mark icon). There are 'Save Card' and 'Cancel' buttons. A checkbox at the bottom of the form is checked and labeled 'Billing Address is the same as in the Account Information'.

On the right side of the page, a 'BILLING NAVIGATION' sidebar contains the following links: 'Billing Home', 'Renew Services', 'Update Credit Cards', 'View Payments', 'Cancel Services', and 'Check Wallet'.

The footer contains the copyright notice 'Copyright © 2015 SiteGround.com Inc.' and social media links for 'Legal', 'Privacy', 'Blog', Facebook, Twitter, and a plus sign for more options.

Payment Confirmation

The screenshot displays the SiteGround user interface. At the top left is the SiteGround logo. On the top right, a user profile box shows a placeholder icon, the name "Hello, I'm Camp Asheville", and links for "My Details" and "Logout". Below this is a navigation bar with tabs for Home, My Accounts, Support, Billing (selected), Referral Deals, Add Services, and Resources. The main content area is divided into two columns. The left column, titled "MANAGE PAYMENT DETAILS", contains a message about maintaining active cards and a list of payment methods. One MasterCard is shown with a "Manage" button. Below it, there are fields for "Card Expires:", "Priority: Primary", and "Status: Active". At the bottom of this section is an "Add New Card" button with Visa and Mastercard logos. The right column, titled "BILLING NAVIGATION", lists several actions: Billing Home, Renew Services, Update Credit Cards, View Payments, Cancel Services, and Check Wallet. The footer contains copyright information for 2015 SiteGround.com Inc. and links for Legal, Privacy, and Blog, along with social media icons for Facebook, Twitter, and a plus sign for more options.

Dashboard – first glance

The screenshot shows the WordPress dashboard for a user named 'Howdy, BlindBadger1'. The interface includes a top navigation bar with 'My Blog', '1' notification, '0' comment, and 'New' button. A left sidebar contains a navigation menu with items like 'Dashboard', 'Home', 'Updates 1', 'Jetpack', 'Posts', 'Media', 'Pages', 'Comments', 'Appearance', 'Plugins 1', 'Users', 'Tools', 'Settings', and 'Collapse menu'. The main content area features a 'Welcome to WordPress!' message with a 'Dismiss' button and three columns of links: 'Get Started' (Customize Your Site), 'Next Steps' (Write your first blog post, Add an About page, View your site), and 'More Actions' (Manage widgets or menus, Turn comments on or off, Learn more about getting started). Below this are several widgets: 'Jetpack' (Boost traffic, enhance security, and improve performance. Connect to WordPress.com), 'Quick Draft' (Title, What's on your mind?, Save Draft), 'At a Glance' (1 Post, 1 Comment, WordPress 4.2.2 running Twenty Fifteen theme), 'Activity' (Recently Published: WordPress Resources at SiteGround, Comments: From Mr WordPress on WordPress Resources at SiteGround #), and 'WordPress News' (WordPress 4.3 Beta 4 July 22, 2015, WPTavern: WordPress Custom Post Type UI Plugin Passes 1 Million Downloads, WPTavern: WordPress 4.3 Moves Customize to Its Own Top-level Menu in the Admin Bar, WPTavern: How and When Mullenweg Learned Thesis Changed Back to a Proprietary License, Popular Plugin: SiteOrigin Widgets Bundle (Install)). The footer contains the text 'Thank you for creating with WordPress.' and 'Version 4.2.2'.

“Front Side” - No changes yet

The image shows a screenshot of a WordPress blog's front page. The layout is divided into a sidebar on the left and a main content area on the right. The sidebar contains sections for 'My Blog', a search bar, 'RECENT POSTS', 'RECENT COMMENTS', 'ARCHIVES', 'CATEGORIES', and 'META'. The main content area features a large article titled 'WordPress Resources at SiteGround'. The article text discusses WordPress as award-winning software and lists several resources: 'Expert WordPress Hosting', 'WordPress tutorial and knowledgebase articles', and 'Free WordPress themes'. At the bottom of the article, there is a date and a 'Leave a comment' link. The footer of the page states 'Proudly powered by WordPress'.

WordPress Resources at SiteGround

WordPress is an award-winning web software, used by millions of webmasters worldwide for building their website or blog. SiteGround is proud to host this particular WordPress installation and provide users with multiple resources to facilitate the management of their WP websites:

Expert WordPress Hosting

SiteGround provides superior WordPress hosting focused on speed, security and customer service. We take care of WordPress sites security with unique server-level customizations, WP auto-updates, and daily backups. We make them faster by regularly upgrading our hardware, offering free CDN with Railgun and developing our SuperCacher that speeds sites up to 100 times! And last but not least, we provide real WordPress help 24/7! Learn more about SiteGround WordPress hosting

WordPress tutorial and knowledgebase articles

WordPress is considered an easy to work with software. Yet, if you are a beginner you might need some help, or you might be looking for tweaks that do not come naturally even to more advanced users. SiteGround [WordPress tutorial](#) includes installation and theme change instructions, management of WordPress plugins, manual upgrade and backup creation, and more. If you are looking for a more rare setup or modification, you may visit [SiteGround Knowledgebase](#).

Free WordPress themes

SiteGround experts not only develop various solutions for WordPress sites, but also create unique designs that you could download for free. SiteGround WordPress themes are easy to customize for the particular use of the webmaster.

Division of Roles in WordPress

■ System = WordPress

■ Content = Pages, Posts & Images

■ Design = Theme

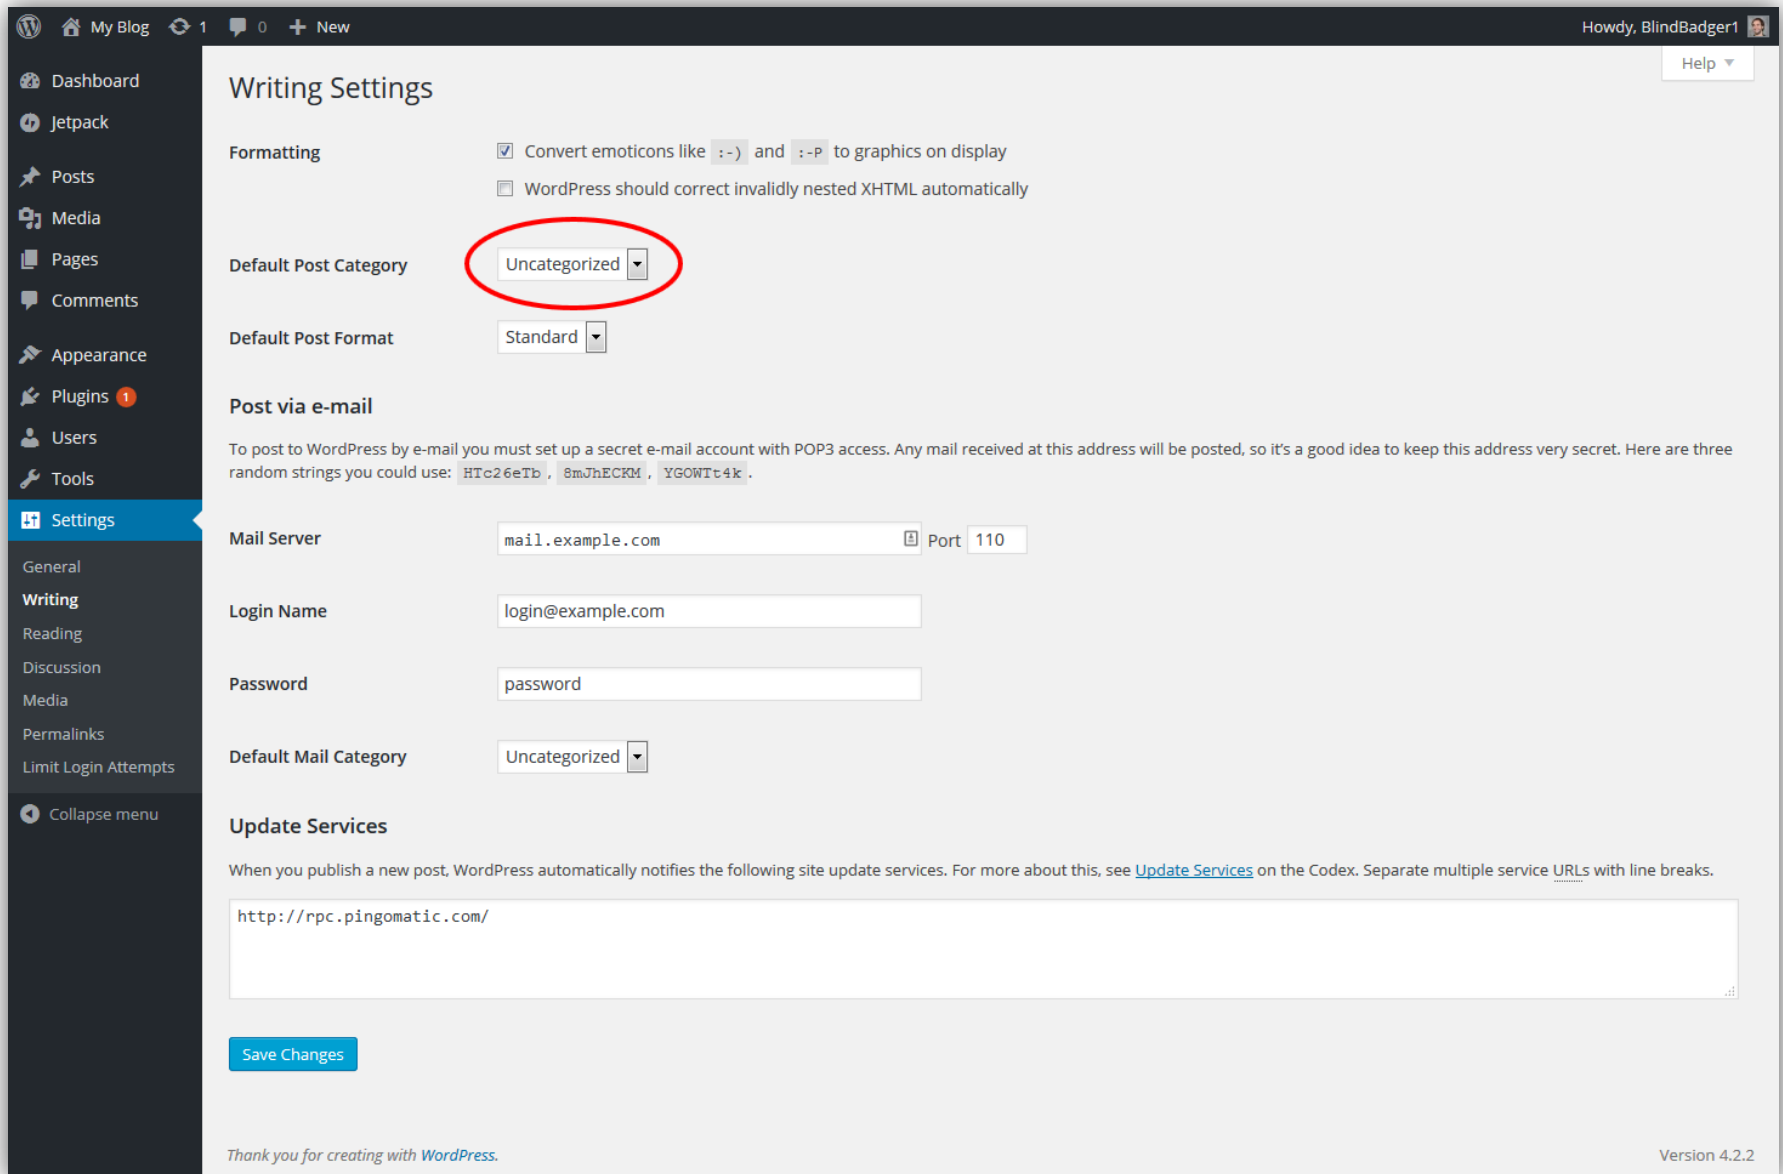

Settings – General Setup

The screenshot shows the WordPress 'General Settings' page. The left sidebar contains navigation links: Dashboard, Posts, Media, Pages, Comments, Appearance, Plugins, Users, Tools, Settings (highlighted), General, Writing, Reading, Discussion, Media, Permalinks, Limit Login Attempts, SuperCacher, and Collapse menu. The main content area is titled 'General Settings' and includes the following fields and options:

- Site Title:** My Blog. Annotated with a red arrow pointing to the text and the label 'Website Name/Business Name'.
- Tagline:** My WordPress Blog. Annotated with a red arrow pointing to the text and the label 'Tagline'. Below the field is the instruction: 'In a few words, explain what this site is about.'
- WordPress Address (URL):** http://wordcampa.siteground.net. This field is circled in red. Annotated with a red arrow pointing to the text and the label 'Specific to where your site is located. This will change if you move your site. Changing this can/will take down your website.'
- Site Address (URL):** http://wordcampa.siteground.net. Annotated with a red arrow pointing to the text and the label 'Admin Email Address'. Below the field is the instruction: 'Enter the address here if you want your site homepage to be different from the directory you installed WordPress.'
- E-mail Address:** info@bigoomdesign.com. Annotated with a red arrow pointing to the text and the label 'Admin Email Address'. Below the field is the instruction: 'This address is used for admin purposes, like new user notification.'
- Membership:** Anyone can register.
- New User Default Role:** Subscriber (dropdown menu).
- Timezone:** UTC+0 (dropdown menu). UTC time is 2014-05-06 3:42:11. Below the field is the instruction: 'Choose a city in the same timezone as you.'
- Date Format:** May 6, 2014; 2014/05/06; 05/06/2014; 06/05/2014; Custom: F, Y | May 6, 2014. Below the field is the instruction: 'Documentation on date and time formatting.'

Red annotations include arrows pointing to the Site Title, Tagline, WordPress Address (URL), Site Address (URL), and E-mail Address fields. A red circle highlights the WordPress Address (URL) field. A red line separates the E-mail Address field from the Membership, New User Default Role, Timezone, and Date Format sections. A red arrow points to the Timezone field with the label 'Don't change this info'.

Settings – Writing – “Default Post Category”

The screenshot shows the WordPress dashboard's 'Settings' page, specifically the 'Writing' section. The 'Default Post Category' dropdown menu is highlighted with a red circle and is currently set to 'Uncategorized'. Other settings visible include 'Formatting', 'Default Post Format', 'Post via e-mail', 'Mail Server', 'Login Name', 'Password', 'Default Mail Category', and 'Update Services'.

Default Mail Category Uncategorized

Update Services

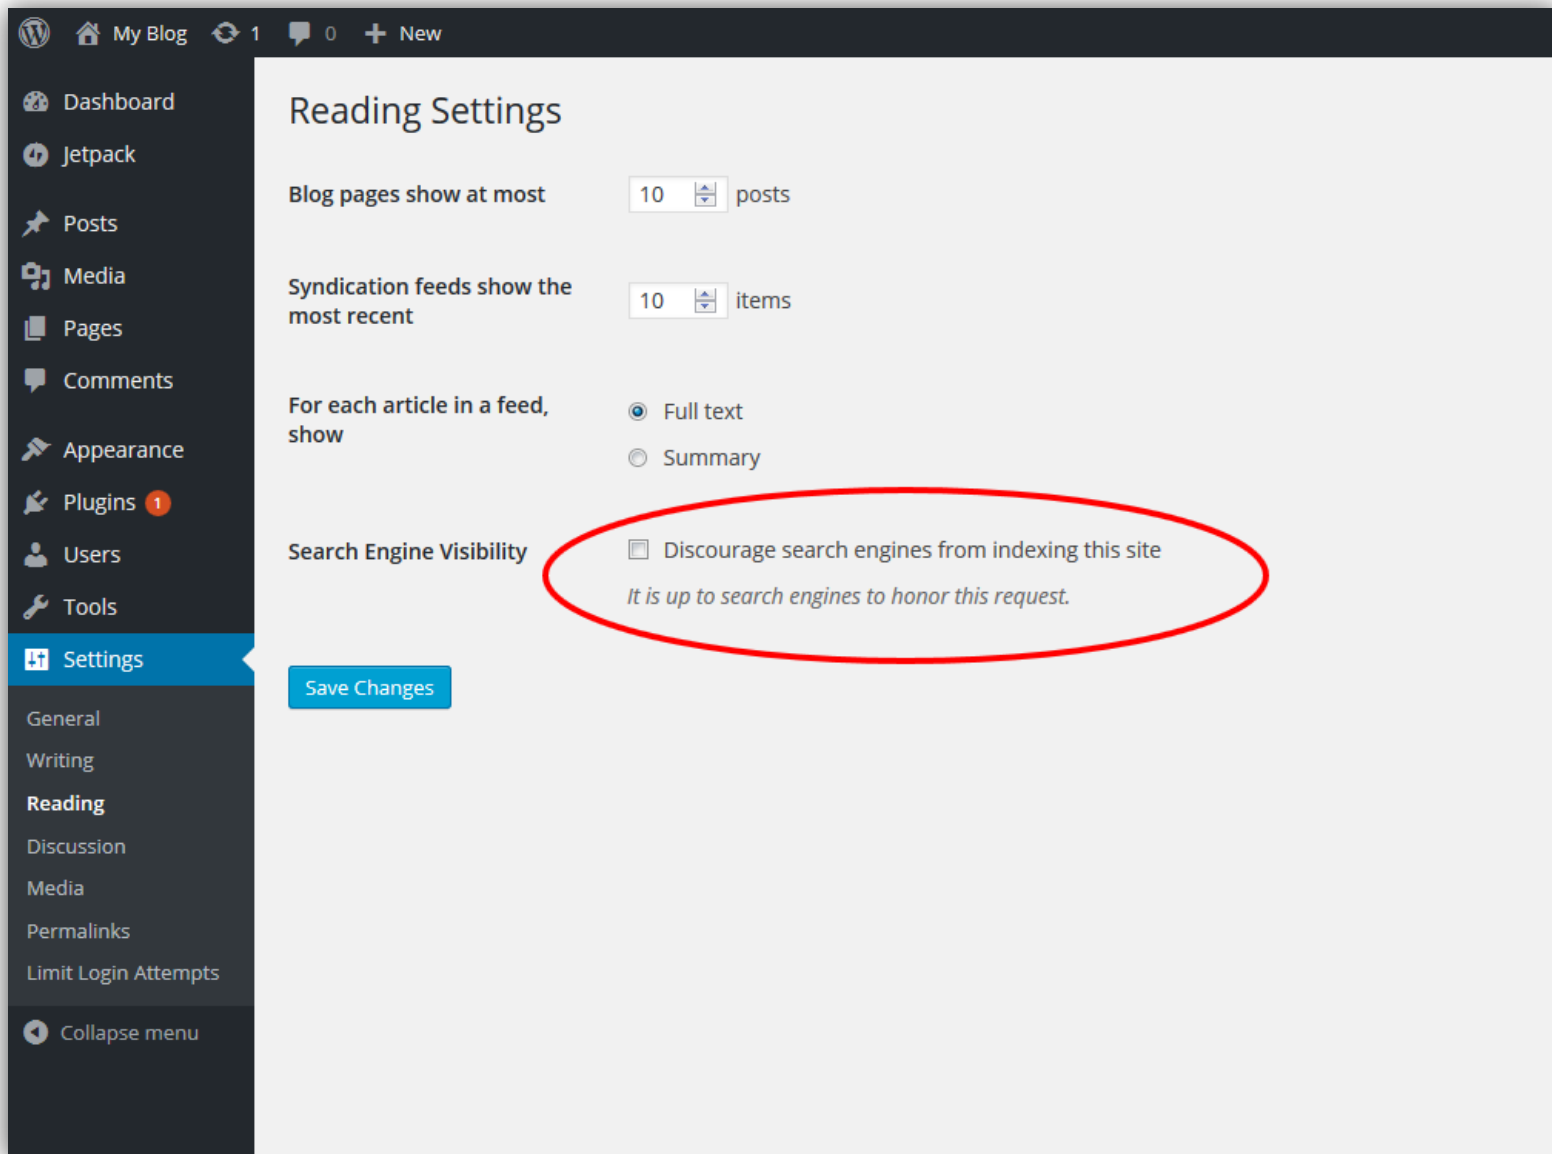

When you publish a new post, WordPress automatically notifies the following site update services. For more about this, see [Update Services](#) on the Codex. Separate multiple service URLs with line breaks.

[Save Changes](#)

Thank you for creating with WordPress.

Version 4.2.2

Settings – Reading – Search Visibility

The screenshot shows the WordPress dashboard's 'Reading Settings' page. The left sidebar contains navigation links for Dashboard, Jetpack, Posts, Media, Pages, Comments, Appearance, Plugins (with a red notification badge), Users, and Tools. The 'Settings' menu is expanded, showing sub-sections: General, Writing, Reading (highlighted), Discussion, Media, Permalinks, and Limit Login Attempts. A 'Collapse menu' button is at the bottom of the sidebar. The main content area is titled 'Reading Settings' and includes the following settings:

- Blog pages show at most:** A numeric input field set to '10' followed by 'posts'.
- Syndication feeds show the most recent:** A numeric input field set to '10' followed by 'items'.
- For each article in a feed, show:** Two radio button options: 'Full text' (selected) and 'Summary'.
- Search Engine Visibility:** A checkbox labeled 'Discourage search engines from indexing this site' is checked. Below it, the text reads: *It is up to search engines to honor this request.*

A red oval highlights the 'Search Engine Visibility' section. A blue 'Save Changes' button is located at the bottom left of the settings area.

Settings – Discussion - Changed

The screenshot shows the WordPress Discussion Settings page. The left sidebar contains navigation links: Dashboard, Posts, Media, Pages, Comments, Appearance, Plugins, Users, Tools, Settings (highlighted), General, Writing, Reading, Discussion, Media, Permalinks, Limit Login Attempts, SuperCacher, and Collapse menu. The main content area is titled "Discussion Settings" and is divided into several sections:

- Default article settings**
 - Attempt to notify any blogs linked to from the article
 - Allow link notifications from other blogs (pingbacks and trackbacks)
 - Allow people to post comments on new articles
(These settings may be overridden for individual articles.)
- Other comment settings**
 - Comment author must fill out name and e-mail
 - Users must be registered and logged in to comment
 - Automatically close comments on articles older than days
 - Enable threaded (nested) comments levels deep
 - Break comments into pages with top level comments per page and the page displayed by default
 - Comments should be displayed with the comments at the top of each page
- E-mail me whenever**
 - Anyone posts a comment
 - A comment is held for moderation
- Before a comment appears**
 - Comment must be manually approved
 - Comment author must have a previously approved comment
- Comment Moderation**
 - Hold a comment in the queue if it contains or more links. (A common characteristic of comment spam is a large number of links.)
 - When a comment contains any of these words in its content, name, URL, e-mail, or IP, it will be held in the [moderation queue](#). Or

Settings – Permalinks – “Custom”

The screenshot shows the WordPress dashboard for 'Asheville VW Repair'. The left sidebar contains navigation links: Dashboard, Posts, Media, Pages, Comments, Appearance, Plugins, Users, Tools, Settings (highlighted), General, Writing, Reading, Discussion, Media, Permalinks, Limit Login Attempts, SuperCacher, and Collapse menu. The main content area is titled 'Permalink Settings'. It includes an introductory paragraph, a 'Common Settings' section with radio buttons for Default, Day and name, Month and name, Numeric, Post name, and Custom Structure. The 'Custom Structure' option is selected, and its corresponding URL field is circled in red. A red arrow points from the text 'New Permalink' to this field. Below this is an 'Optional' section with input fields for 'Category base' and 'Tag base', and a 'Save Changes' button at the bottom.

Asheville VW Repair 0 + New

Permalink Settings

By default WordPress uses web URLs which have question marks and lots of numbers in them; however, WordPress offers you the ability to create a custom URL structure for your permalinks. [number of tags are available](#), and here are some examples to get you started.

Common Settings

Default `http://wordcampa.siteground.net/?p=123`

Day and name `http://wordcampa.siteground.net/2014/05/06/sample-post/`

Month and name `http://wordcampa.siteground.net/2014/05/sample-post/`

Numeric `http://wordcampa.siteground.net/archives/123`

Post name `http://wordcampa.siteground.net/sample-post/`

Custom Structure `http://wordcampa.siteground.net /%postname%/`

Optional

If you like, you may enter custom structures for your category and tag URLs here. For example, using `topics` as your category base would make your category links like `http://example.com/topics/`

Category base

Tag base

[Save Changes](#)

New Permalink

Limit Login Attempts

The screenshot shows the WordPress dashboard with the 'Limit Login Attempts' settings page. The left sidebar contains navigation links: Dashboard, Jetpack, Posts, Media, Pages, Comments, Appearance, Plugins (1), Users, Tools, and Settings (highlighted). The main content area is titled 'Limit Login Attempts Settings' and includes a 'Statistics' section showing 'No lockouts yet'. The 'Options' section is circled in red and contains the following settings:

- Lockout: 10 allowed retries
- 5 minutes lockout
- 4 lockouts increase lockout time to 24 hours
- 12 hours until retries are reset

Below the 'Options' section, there are three other settings:

- Site connection: It appears the site is reached directly (from your IP: 108.250.185.30). Radio buttons for 'Direct connection' (selected) and 'From behind a reverse proxy'.
- Handle cookie login: Radio buttons for 'Yes' (selected) and 'No'.
- Notify on lockout: Checkboxes for 'Log IP' (checked) and 'Email to admin after 4 lockouts'.

A 'Change Options' button is located at the bottom of the settings area. The footer of the page includes the text 'Thank you for creating with WordPress.' and 'Version 4.2.2'.

All Posts Sections

The screenshot shows the WordPress dashboard's 'All Posts' section. The left sidebar contains navigation links for Dashboard, Jetpack, Posts, All Posts, Add New, Categories, Tags, Media, Pages, Comments, Appearance, Plugins (1), Users, Tools, Settings, and Collapse menu. The main content area displays a list of posts. The first post is titled 'WordPress Resources at SiteGround' by 'BlindBadger1', categorized as 'Uncategorized', with no tags and published 2 hours ago. Red arrows point to the following elements:

- Post Title:** Points to the title 'WordPress Resources at SiteGround'.
- Default Category:** Points to the category 'Uncategorized'.
- No Tags:** Points to the empty 'Tags' column.
- No Comments:** Points to the comment icon showing '0' comments.

At the bottom of the page, it says 'Thank you for creating with WordPress.' and 'Version 4.2.2'.

Trash Sample Post

The screenshot shows the WordPress dashboard interface. The top navigation bar includes the WordPress logo, a home icon, the site name "My Blog", a refresh icon, a comment count of "0", a "New" button, and the user name "Howdy, BlindBadger1" with a profile picture. The left sidebar contains a menu with items: Dashboard, Jetpack, Posts (highlighted), All Posts, Add New, Categories, Tags, Media, Pages, Comments, Appearance, Plugins (with a red notification badge), Users, Tools, Settings, and Collapse menu. The main content area is titled "Posts" and includes an "Add New" button. Below this, there are filters for "All (1)" and "Published (1)", a search box, and a "Search Posts" button. A table of posts is displayed with columns for Title, Author, Categories, Tags, Comments, and Date. The first row shows a post titled "WordPress Resources at SiteGround" by "BlindBadger1" in the "Uncategorized" category, published "2 hours ago". The "Trash" link for this post is circled in red. The second row is a placeholder with "Title", "Author", "Categories", "Tags", and "Date" headers. At the bottom of the page, there is a footer with the text "Thank you for creating with WordPress." and the version number "Version 4.2.2".

New Blog Post Hints

- Allow you to reach a diverse and eclectic audience
- Go after “Long Tail Terms”
- Interconnect with Tags and Categories
- Always pair with a picture (Featured Image)
- Identify and carve out a unique niche... if possible
- Allows you to be a bit personable – Mildred the Bear

New Post Creation

The screenshot shows the WordPress 'Add New Post' interface. The following elements are circled in red:

- The text input field labeled "Enter title here" at the top of the editor.
- The "Add Media" button in the top left of the editor area.
- The "Distraction-Free Writing" notification box, which includes a "Dismiss" button.
- The "Postings" category selected in the "Categories" panel.
- The "Choose from the most used tags" link in the "Tags" panel.
- The "Set featured image" link in the "Featured Image" panel.

Other visible elements include the left-hand navigation menu (Dashboard, Jetpack, Posts, All Posts, Add New, Categories, Tags, Media, Pages, Comments, Appearance, Plugins, Users, Tools, Settings, Collapse menu), the top navigation bar (My Blog, 1, 0, + New, Howdy, BlindBadger1, Screen Options, Help), the right-hand "Publish" panel (Save Draft, Preview, Status: Draft, Visibility: Public, Publish immediately, Move to Trash, Publish), and the "Format" panel (Standard, Aside, Image, Video, Quote, Link, Gallery, Status, Audio, Chat).

At the bottom of the page, it says "Thank you for creating with WordPress." and "Version 4.2.2".

Why are Volkswagens so Awesome?

- Very cheap
- Extremely simple to repair
- “The People’s Car”
- Built for a new network of roads

Why is WordPress so Awesome?

- ~~Very cheap~~ - Free
- Extremely simple to ~~repair~~ build and maintain
- “The People’s ~~Car~~” - CMS
- Built for a new network of ~~roads~~ systems

New Page

The screenshot shows the WordPress admin interface. At the top, the navigation bar includes 'My Blog', '1', '0', and '+ New'. The user's name 'Howdy, BlindBadger1' is visible in the top right corner. The left sidebar contains a menu with items: Dashboard, Jetpack, Posts, Media, Pages (highlighted), All Pages, Add New, Comments, Appearance, Plugins (1), Users, Tools, Settings, and Collapse menu. The main content area is titled 'Pages' and features a circled 'Add New' button. Below the title, there are controls for 'Bulk Actions' and 'Apply', and a date filter set to 'All dates'. The page content area is empty, displaying 'No pages found.' and a table header with columns for 'Title', 'Author', and 'Date'. At the bottom of the page, there is a footer with the text 'Thank you for creating with WordPress.' and 'Version 4.2.2'.

Home Page Content

- Brief paragraph explaining the business or idea
- A Great Picture that represents the business
- Clear Call to Action (Links, Button, Form, Etc)
- This page will get 50% of the traffic and they will spend 5-45 seconds... if your lucky

Version 4.2.2

Create More Pages

Now create 4-5 more pages that you'd like to have on your site.

That list might be:

- **About** – Mission, Bio, Associations, Team Pic
- **Services** – Service List, Price List, Descriptions
- **Contact** – Form, Map, Phone Number, Address
- **Blog** – Leave blank
- **Gallery** – Image Gallery

Menu Setup

The screenshot shows the WordPress 'Edit Menu' interface. The left sidebar contains navigation options: Dashboard, Jetpack, Posts, Media, Pages, Comments, Appearance (highlighted), Themes, Customize, Widgets, **Menus** (circled in red), Header, Background, Editor, Plugins (1), Users, Tools, Settings, and Collapse menu. The main content area is titled 'Edit Menu' and includes a 'Screen Options' dropdown and a 'Help' dropdown. Below the title, there is a text box with the instruction: 'Edit your menu below, or [create a new menu.](#)'

The 'Pages' section is expanded, showing a list of pages: Beers, Blog, About, Contact, and Home. An 'Add to Menu' button is located below this list. The 'Custom Links' and 'Categories' sections are also visible but collapsed.

The 'Menu Name' input field contains the placeholder text 'Enter menu name here' and is circled in red. To its right is a blue 'Create Menu' button. Below the input field, there is a text box with the instruction: 'Give your menu a name above, then click Create Menu.' To the right of this text box is another blue 'Create Menu' button, which is also circled in red.

At the bottom of the page, there is a footer that reads 'Thank you for creating with [WordPress.](#)' and 'Version 4.2.2'.

Version 4.2.2

Save the Menu

The screenshot shows the WordPress 'Edit Menu' interface. The left sidebar contains navigation options: Dashboard, Jetpack, Posts, Media, Pages, Comments, Appearance (highlighted), Themes, Customize, Widgets, Menu, Header, Background, Editor, Plugins (1), Users, Tools, Settings, and Collapse menu. The main content area has two tabs: 'Edit Menu' (active) and 'Manage Locations'. Below the tabs is a text box: 'Edit your menu below, or [create a new menu.](#)'

The 'Edit Menu' section is divided into three main areas:

- Pages:** A list of 'Most Recent' pages: Beers, Blog, About, Contact, Home. There are 'View All' and 'Search' links. A 'Select All' link and an 'Add to Menu' button are at the bottom.
- Menu Structure:** A list of menu items with their configuration options:
 - Home: Custom Link
 - About: Page
 - Beers: Page
 - Blog: Page
 - Contact: Page
- Menu Settings:** A section with two sub-sections:
 - Auto add pages:** Automatically add new top-level pages to this menu
 - Theme locations:** Primary Menu, Social Links Menu

At the bottom right of the 'Menu Structure' section, there is a blue 'Save Menu' button, which is circled in red. At the bottom right of the entire 'Edit Menu' section, there is another blue 'Save Menu' button. A red 'Delete Menu' link is located at the bottom left of the 'Menu Structure' section.

Footer text: 'Thank you for creating with WordPress.' (left) and 'Version 4.2.2' (right).

Menu Setup and Assignment

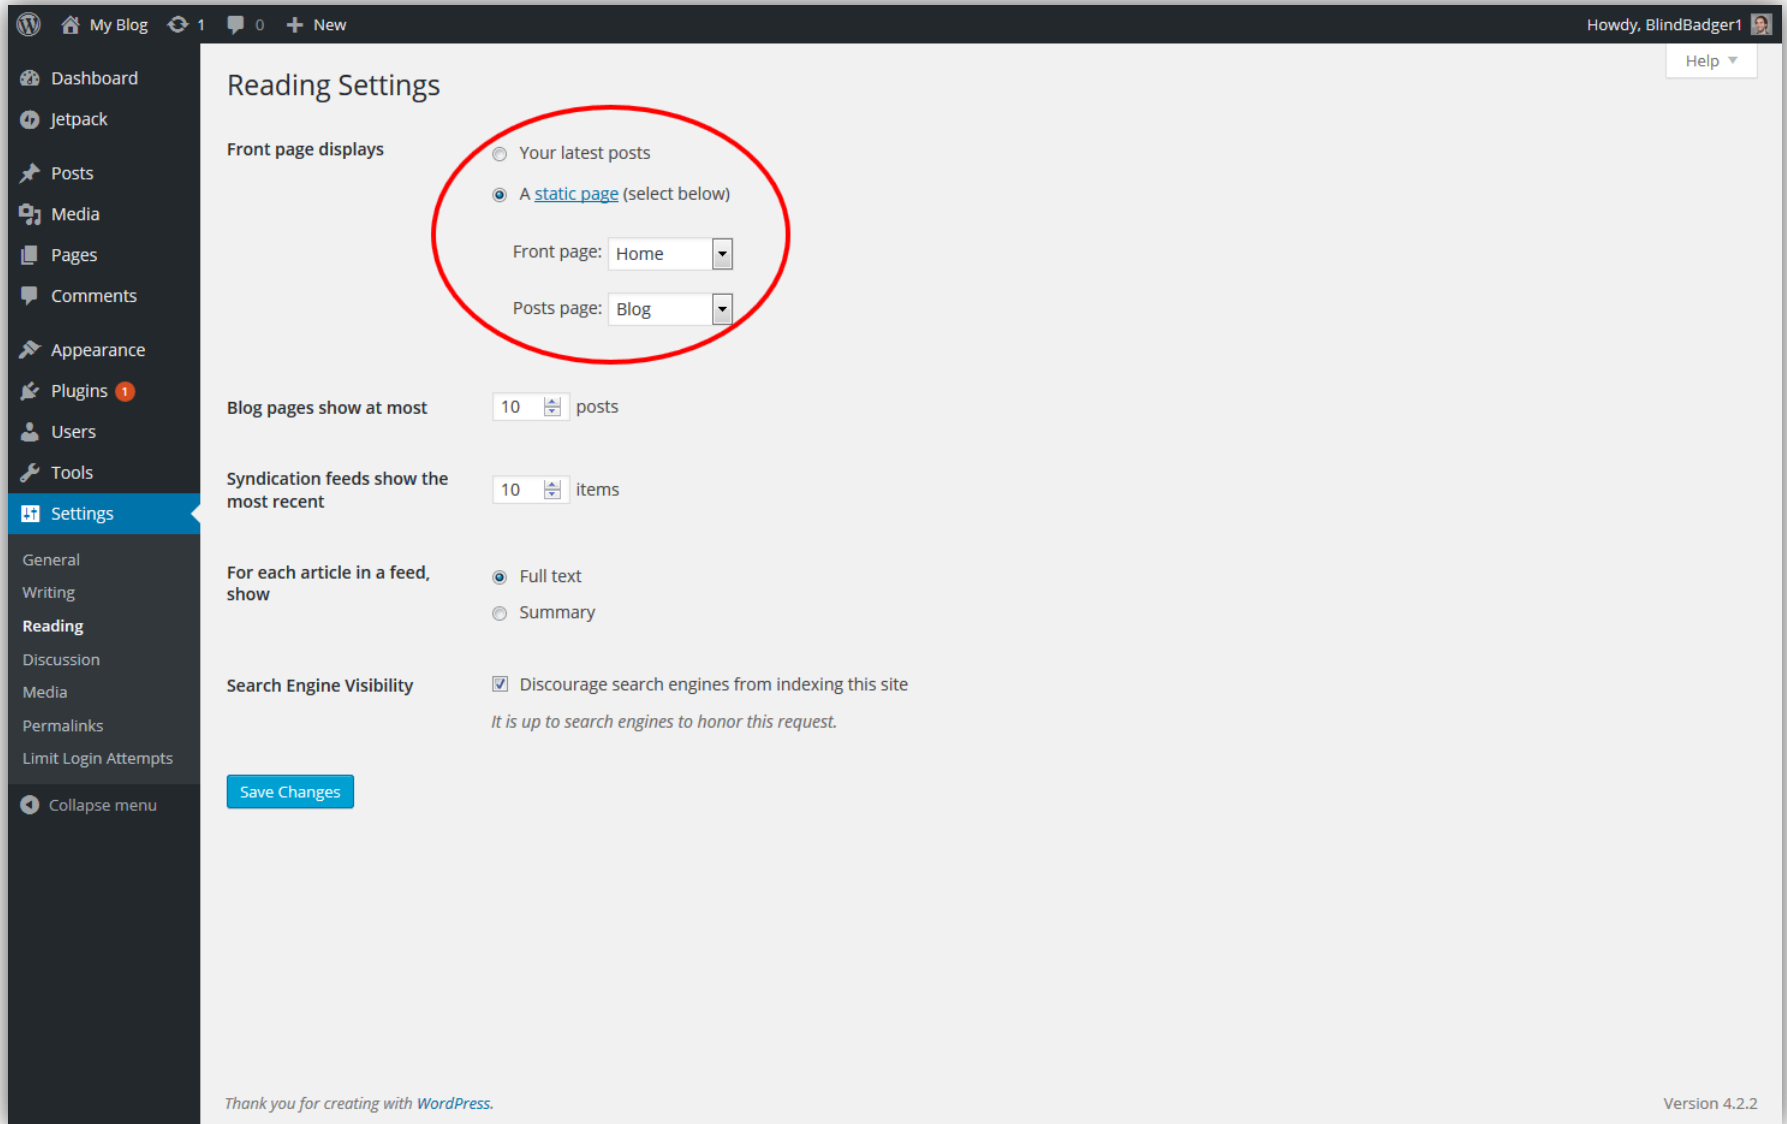

The screenshot shows the WordPress Admin Dashboard for 'Asheville VW Repair'. The left sidebar contains navigation links: Dashboard, Posts, Media, Pages, Comments, Appearance (highlighted), Themes, Customize, Widgets, Menus, Header, Background, Editor, Plugins, Users, Tools, Settings, SuperCacher, and Collapse menu. The main content area is titled 'Manage Locations' and contains the following elements:

- Buttons for 'Edit Menus' and 'Manage Locations'. A red arrow points to 'Manage Locations' with the text: **Set the menu location based on the theme options**.
- Text: 'Your theme supports 1 menu. Select which menu you would like to use.'
- A table with two columns: 'Theme Location' and 'Assigned Menu'.

Theme Location	Assigned Menu
Primary Menu	<input type="text" value="— Select a Menu —"/> Use new menu
- A 'Save Changes' button.

A red arrow points from the 'Assigned Menu' column to the text: **Pick the menu to display in the designated "Theme Location"**.

Front Page Displays - Home

The screenshot shows the WordPress admin interface for 'My Blog'. The left sidebar contains navigation links: Dashboard, Jetpack, Posts, Media, Pages, Comments, Appearance, Plugins (1), Users, Tools, Settings (highlighted), General, Writing, Reading, Discussion, Media, Permalinks, Limit Login Attempts, and Collapse menu. The main content area is titled 'Reading Settings'. Under the 'Front page displays' section, two radio buttons are visible: 'Your latest posts' and 'A static page (select below)'. The 'A static page' option is selected and circled in red. Below it, two dropdown menus are shown: 'Front page:' set to 'Home' and 'Posts page:' set to 'Blog'. Other settings include 'Blog pages show at most' (10 posts), 'Syndication feeds show the most recent' (10 items), 'For each article in a feed, show' (Full text selected), and 'Search Engine Visibility' (Discourage search engines from indexing this site checked). A 'Save Changes' button is located at the bottom left of the settings area. The footer includes the text 'Thank you for creating with WordPress.' and 'Version 4.2.2'.

WordPress admin interface showing the **Reading Settings** page. The **Front page displays** section is highlighted with a red circle, showing the selected option: **A static page (select below)**. The **Front page:** dropdown is set to **Home**, and the **Posts page:** dropdown is set to **Blog**.

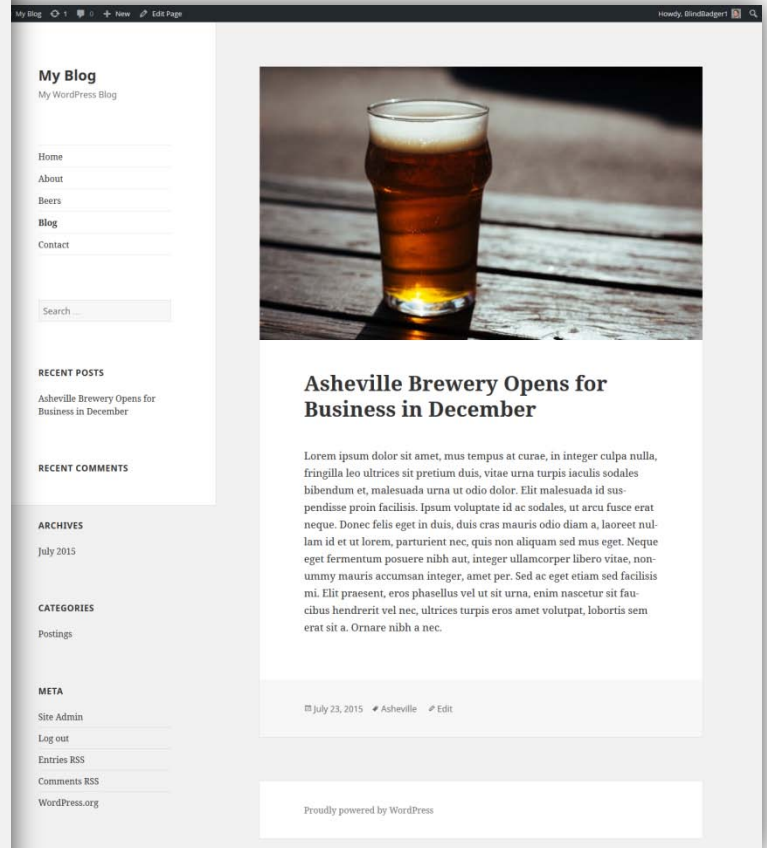

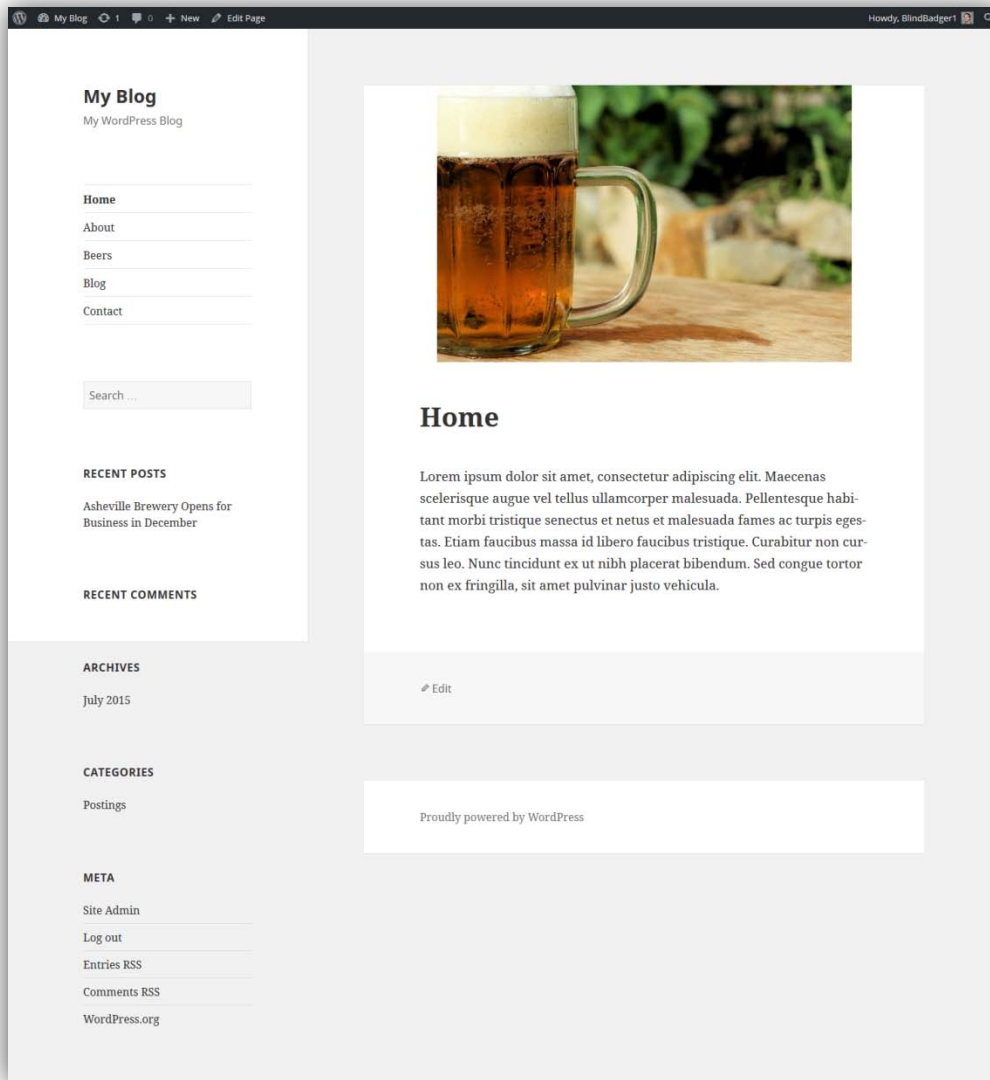

Other settings visible include:

- Blog pages show at most:** 10 posts
- Syndication feeds show the most recent:** 10 items
- For each article in a feed, show:** Full text (selected)
- Search Engine Visibility:** Discourage search engines from indexing this site (checked)

Buttons: **Save Changes**

Footer: Thank you for creating with WordPress. Version 4.2.2

Front Side Home and Blog

Widgets Section

The screenshot shows the WordPress dashboard's Widgets section. On the left is a dark sidebar with navigation links: Dashboard, Jetpack, Posts, Media, Pages, Comments, Appearance (highlighted), Themes, Customize, Widgets, Menus, Header, Background, Editor, Plugins (with a red notification), Users, Tools, Settings, and Collapse menu. The main content area is titled 'Widgets' and includes a 'Manage in Customizer' link. It is divided into three sections: 'Available Widgets', 'Inactive Sidebar (not used)', and 'Inactive Widgets'. The 'Available Widgets' section contains a grid of widget boxes with titles and descriptions. A red circle highlights the 'Widget Area' section, which is currently empty and contains a 'Recent Posts' widget and a 'Categories' widget. The 'Inactive Sidebar' section lists three widgets: 'RSS: SiteGround Blog', 'Meta: Members', and 'Search: Search'. The 'Inactive Widgets' section is currently empty. At the bottom, there is a footer with the text 'Thank you for creating with WordPress.' and 'Version 4.2.2'.

Contact Form - Front

The screenshot shows a WordPress contact form front-end. The browser's address bar displays "Blind Badger Brewing" and the user is logged in as "Howdy, BlindBadger1". The page features a left sidebar with navigation links: Home, About, Beers, Blog, and Contact. Below the navigation are sections for "BREWERY HOURS" (Open 7 Days a Week, 10:00-8:00) and "RECENT POSTS" (Asheville Brewery Opens for Business in December). The main content area is titled "Contact" and contains a form with fields for Name (required), Email (required), Website, and a large text area for Comment (required). A "SUBMIT >" button is positioned below the comment field. An "Edit" link is located at the bottom of the form area. The footer of the page states "Proudly powered by WordPress".

Custom Content Types

The screenshot shows the WordPress 'Writing Settings' page for a site named 'Blind Badger Brewing'. The left sidebar contains navigation links for Dashboard, Jetpack, Posts, Media, Pages, Comments, Feedback, Appearance, Plugins, Users, Tools, and Settings. The 'Settings' menu is expanded to show 'Writing' as the active section. The main content area is titled 'Writing Settings' and includes sections for Formatting, Default Post Category, Default Post Format, Post via e-mail, Mail Server, Login Name, Password, Default Mail Category, Update Services, and Your Custom Content Types. The 'Your Custom Content Types' section is circled in red and contains two items: 'Portfolio Projects' and 'Testimonials', both with checked checkboxes and 'Learn More' links. A 'Save Changes' button is located at the bottom of this section. The footer of the page includes the text 'Thank you for creating with WordPress.' and 'Version 4.2.3'.

Projects and Testimonials

The screenshot shows the WordPress admin dashboard for 'Blind Badger Brewing'. The left sidebar menu is visible, with 'Portfolio' selected. The main content area displays the 'Projects' management screen. At the top, there is a search bar and a 'Screen Options' dropdown. Below that, there are filters for 'All (1)' and 'Published (1)', along with 'Bulk Actions' and 'Apply' buttons. The main table lists projects with columns for 'Project', 'Project Types', 'Project Tags', and 'Date'. One project, 'Galactic Elf', is listed with a 10% badge, 'Beer Types' as project types, and 'Belgian Strong, Black Cherry, Pear' as project tags. It was published 14 minutes ago. A 'Thank you for creating with WordPress' message is visible at the bottom of the screen.

Project	Project Types	Project Tags	Date
Galactic Elf	Beer Types	Belgian Strong, Black Cherry, Pear	14 mins ago Published

The screenshot shows the WordPress admin dashboard for 'Blind Badger Brewing'. The left sidebar menu is visible, with 'Testimonials' selected. The main content area displays the 'Testimonials' management screen. At the top, there is a search bar and a 'Screen Options' dropdown. Below that, there are filters for 'All (1)' and 'Published (1)', along with 'Bulk Actions' and 'Apply' buttons. The main table lists testimonials with columns for 'Customer Name' and 'Date'. One testimonial, 'Sam Calagione', is listed with 'Edit | Quick Edit | Trash | View' links. It was published 6 minutes ago. A 'Thank you for creating with WordPress' message is visible at the bottom of the screen. The version number 'Version 4.2.3' is also visible in the bottom right corner.

Customer Name	Date

Menu Item Addition

The screenshot shows the WordPress Admin interface for editing a menu. The left sidebar contains navigation options like Dashboard, Jetpack, Posts, Media, Pages, Portfolio, Testimonials, Comments, Feedback, Appearance, Themes, Customize, Widgets, Menus, Header, Background, Edit CSS, Editor, Plugins, Users, Tools, Settings, and Collapse menu. The main content area is titled 'Edit Menus' and 'Manage Locations'. It features a 'Pages' section with a list of pages (Testimonials, Beers, Blog, About, Contact, Home) and an 'Add to Menu' button. The 'Menu Structure' section shows a list of menu items: Home (Custom Link), About (Page), Beers (Project Type), Testimonials (sub item, Page), Blog (Page), and Contact (Page). A red circle highlights the 'Testimonials' sub-item. The 'Menu Settings' section includes options for 'Auto add pages' and 'Theme locations'. The 'Save Menu' button is visible at the bottom right.

Contact Info Widget

The screenshot shows the WordPress Customizer interface for a site named "Blind Badger Brewing". The left sidebar contains navigation options: Dashboard, Jetpack, Posts, Media, Pages, Portfolio, Testimonials, Comments, Feedback, Appearance (highlighted), Themes, Customize, Widgets, Menus, Header, Background, Edit CSS, Editor, Plugins, Users, Tools, Settings, and Collapse menu. The main area is titled "Widgets" and includes a "Manage in Customizer" button. Under "Available Widgets", the "Contact Info (Jetpack)" widget is circled in red. The "Widget Area" on the right shows the "Contact Info (Jetpack): Hours & Info" widget also circled in red, with the following configuration:

- Title: Hours & Info
- Address: Asheville, NC 28806
- Show map
- Phone: 1-828-5[redacted]
- Hours:
 - Lunch: 11am - 2pm
 - Dinner: M-Th 5pm - 11pm, Fri-Sat: 5pm - 1am
- Buttons: Delete, Close, Visibility, Save
- Text: Brewery Hours

Publicize and Sharing

The screenshot displays the 'Sharing Settings' page in a WordPress dashboard. The left sidebar contains a menu with 'Sharing' highlighted in red. The main content area is divided into several sections:

- Publicize:** A section titled 'Connect your blog to popular social networking sites...' with a grid of social media icons and 'Connect' buttons. Facebook, Twitter, and LinkedIn are on the left; Tumblr, Path, and Google+ are on the right. A red circle highlights the 'Connect' buttons for Facebook, Twitter, and LinkedIn.
- Sharing Buttons:** A section titled 'Add sharing buttons to your blog...' with a row of 'Available Services' including Email, Print, Facebook, LinkedIn, Reddit, Twitter, Google, Tumblr, Pinterest, and Pocket. Below is an 'Enabled Services' area with a drag-and-drop interface.
- Live Preview:** A section showing 'Sharing is off' and a note to 'add services above to enable'.
- Button style:** A dropdown menu set to 'Icon + text'.
- Sharing label:** A text input field containing 'Share this:'.
- Show buttons on:** A list of checkboxes for 'Front Page, Archive Pages, and Search Results', 'Posts', 'Pages', 'Media', 'Projects', and 'Testimonials'. A red circle highlights this entire list.
- Twitter Site Tag:** A text input field with a note: 'The Twitter username of the owner of this site's domain.'
- Disable CSS and JS:** A checkbox labeled 'Advanced, if this option is checked, you must include these files in your theme manually for the sharing links to work.'

At the bottom, there is a 'Save Changes' button and a footer with 'Thank you for creating with WordPress.' and 'Version 4.2.3'.

Subscribe

The screenshot shows the WordPress admin interface. On the left is a dark sidebar menu with 'Appearance' selected and 'Widgets' highlighted. The main content area is titled 'Widgets' and contains two panels: 'Available Widgets' and 'Widget Area'.

Available Widgets: A grid of widget options. The 'Blog Subscriptions (Jetpack)' widget is circled in red. Its description reads: 'Add an email sign-up form to allow people to subscribe to your blog.'

Widget Area: A configuration panel for the selected widget. It contains the following settings:

- Widget title:** 'Subscribe to Blog via Email'
- Optional text to display to your readers:** 'Enter your email address to subscribe to this blog and receive notifications of new posts by email.'
- Subscribe Placeholder:** 'Email Address'
- Subscribe Button:** 'Subscribe'
- Success Message Text:** 'Success! An email was just sent to confirm your subscription. Please find the email now and click activate to start subscribing.'
- Show total number of subscribers? (0 subscribers)
- Buttons: [Delete](#) | [Close](#) | [Visibility](#) | [Save](#)

Below the configuration panel, other widget slots are visible, including 'Recent Posts' and 'Categories'.

Adding Yoast Analytics/SEO

The screenshot shows the WordPress 'Add Plugins' interface. The search bar at the top right contains the keyword 'yoast', which is circled in red. The left sidebar has the 'Plugins' menu item highlighted in blue, and the 'Add New' sub-item is also circled in red. The main content area displays a grid of search results for 'yoast' plugins. The first row features 'Yoast SEO' and 'Google Analytics by Yoast', both with 'Install Now' buttons circled in red. The second row features 'Import Settings into WordPress SEO by Yoast' and 'SO Clean Up Yoast SEO', both with 'Install Now' buttons. Each plugin card includes a rating (stars), the number of active installs, and a compatibility checkmark.

Yoast SEO on the Home Page

The screenshot displays the WordPress admin interface for editing a page titled "Home". The left sidebar contains navigation options such as Dashboard, Jetpack, Analytics, Posts, Media, Pages, All Pages, Portfolio, Testimonials, Comments, Feedback, Appearance, Plugins, Users, Tools, Settings, SEO, and Collapse menu. The main content area shows the page title "Home" and a permalink. Below the title is a rich text editor with placeholder text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Maecenas scelerisque augue vel tellus ullamcorper malesuada. Pellentesque habitant morbi tristique senectus et netus et malesuada fames ac turpis egestas. Etiam faucibus massa id libero faucibus tristique. Curabitur non cursus leo. Nunc tincidunt ex ut nibh placerat bibendum. Sed congue tortor non ex fringilla, sit amet pulvinar justo vehicula." Below the editor is a "Yoast SEO" section, which is circled in red. This section includes tabs for "General", "Page Analysis", "Advanced", and "Social". The "General" tab is active, showing fields for "Snippet Preview" (with a blue link "Home - Blind Badger Brewing"), "Focus Keyword", "SEO Title" (filled with "Home - Blind Badger Brewing"), and "Meta description". A note indicates that the meta description is limited to 156 characters. The "Publish" sidebar on the right shows the page status as "Published", visibility as "Public", and a "Check" button next to the "SEO: N/A" status, which is also circled in red. The "Page Attributes" section shows the parent as "(no parent)" and the order as "0". A featured image of a beer is shown at the bottom right. The footer includes the text "Thank you for creating with WordPress." and "Version 4.2.3".

UpDraft Plus Install

The screenshot shows the WordPress dashboard's 'Add Plugins' section. The search bar contains the keyword 'updraft'. Two plugins are displayed:

- Updraft**: A plugin for simplifying backups and restoration. It has a 4-star rating (4 reviews), 3,000+ active installs, and was last updated 5 years ago. It is noted as 'Untested with your version of WordPress'. The 'Install Now' button is visible.
- UpdraftPlus Backup and Restoration**: A more recent plugin with a 5-star rating (1,520 reviews), 500,000+ active installs, and was last updated 4 weeks ago. It is marked as 'Compatible with your version of WordPress'. The 'Install Now' button is circled in red.

The left sidebar shows the 'Plugins' menu is active. The top navigation bar includes 'Blind Badger Brewing', 'New', 'SEO', and 'Howdy, BlindBadger1'. The bottom of the page features the text 'Thank you for creating with WordPress.' and 'Version 4.2.3'.

UpDraft Plus Backup

The screenshot shows the UpdraftPlus Backup/Restore interface within a WordPress dashboard. The page title is "UpdraftPlus Backup/Restore". The interface includes a sidebar with navigation options like Dashboard, Jetpack, Analytics, Posts, Media, Pages, Portfolio, Testimonials, Comments, Feedback, Appearance, Plugins, Users, Tools, and Settings. The main content area has tabs for "Current Status", "Existing Backups (0)", "Settings", "Debugging / Expert Tools", and "Add-ons". A welcome message states: "Welcome to UpdraftPlus! To make a backup, just press the Backup Now button. To change any of the default settings of what is backed up, to configure scheduled backups, to send your backups to remote storage (recommended), and more, go to the settings tab." Below this, there are three buttons: "Backup Now" (circled in red), "Restore", and "Clone/Migrate". The "Actions:" section lists "Next scheduled backups: Nothing currently scheduled", "Last backup job run: No backup has been completed", and "Last log message: (Nothing yet logged) Download most recently modified log file". The footer includes "Thank you for creating with WordPress." and "Version 4.2.3".

Updates Happen

The screenshot shows the WordPress dashboard for a site named "Asheville VW Repair". At the top, there is a navigation bar with a home icon, the site name, and a "New" button. Below this is a sidebar menu with options like Dashboard, Home, Updates (with a red notification icon), Posts, Media, Pages, Comments, Appearance, Plugins, Users, Tools, Settings, SuperCacher, and Collapse menu. The main content area features a notification banner at the top that reads "WordPress 3.9.1 is available! Please update now." with a red arrow pointing to the text. To the right of the notification, the text "Updates Happen" is displayed in red. Below the notification is a "Welcome to WordPress!" message with a "Get Started" section containing a "Customize Your Site" button and a "Next Steps" section with links to "Edit your front page", "Add additional pages", "Add a blog post", and "View your site". At the bottom, there are three widget areas: "At a Glance" showing "5 Pages" and a "WordPress 3.9 running Twenty Twelve theme. Update to 3.9.1" button; "Activity" showing a smiley face icon; and "Quick Draft" with a "Save Draft" button. A "WordPress News" widget is partially visible at the bottom right.

Three Types of Updates

The screenshot shows the WordPress Updates dashboard for the site 'Asheville VW Repair'. The dashboard is divided into three main sections: WordPress Core Updates, Plugins, and Themes. Red circles and arrows highlight these sections to illustrate the three types of updates.

WordPress Core Updates: A red circle highlights the text "An updated version of WordPress is available." and the "Update Now" button. A red arrow points from the text "WordPress Core Updates" to this section.

Plugin Updates: A red circle highlights the "Plugins" section header. A red arrow points from the text "Plugin Updates" to this section.

Theme Updates: A large red circle highlights the "Themes" section, which lists themes with their current and available versions. A red arrow points from the text "Theme Updates" to this section.

Dashboard Details:

- Site: Asheville VW Repair
- Dashboard: Updates (4)
- Last checked on: May 28, 2014 at 12:14 am. [Check Again]
- Important: before updating, please back up your database and files. For help with updates, visit the [Updating WordPress Codex](#) page.
- WordPress Core Updates: An updated version of WordPress is available. You can update to [WordPress 3.9.1](#) automatically or download the package and install it manually. [Update Now] [Download 3.9.1]
- While your site is being updated, it will be in maintenance mode. As soon as your updates are complete, your site will return to normal.
- Plugins: Your plugins are all up to date.
- Themes: The following themes have new versions available. Check the ones you want to update and then click "Update Themes". Please Note: Any customizations you have made to theme files will be lost. Please consider using [child themes](#) for modifications. [Update Themes]
- Theme List:
