Go to the following link to “spin up” your demo site.

PLEASE only do this once.
1. Write down your two word site name.

Example: http://testy-bear.w6.wpsandbox.pro

2. Create a new user on the website so you’re able to login.

Users → Add New

3. WP Sandbox Tab to remove expiration date.

WP Sandbox → Do Not Expire This Install

Discussion Settings

Default article settings
- Attempt to notify any blogs linked to from the article
- Allow link notifications from other blogs (pingbacks and trackbacks)
- **Allow people to post comments on new articles**

Other comment settings
- Comment author must fill out name and e-mail
- Users must be registered and logged in to comment
- **Automatically close comments on articles older than 0 days**
- Enable threaded (nested) comments: 5 levels deep
- Break comments into pages with 50 top level comments per page and the last page displayed by default

E-mail me whenever
- Anyone posts a comment
- A comment is held for moderation

Before a comment appears
- Comment must be manually approved
- Comment author must have a previously approved comment

Comment Moderation
- Hold a comment in the queue if it contains 1 or more links. (A common characteristic of comment spam is a large number of links.)

When a comment contains any of these words in its content, name, URL, e-mail, or IP, it will be held in the moderation queue.

Privacy Settings

Privacy Policy page

As a website owner, you may need to follow national or international privacy laws. For example, you may need to create and display a Privacy Policy. If you already have a Privacy Policy page, please select it below. If not, please create one.

The new page will include help and suggestions for your Privacy Policy. However, it is your responsibility to use those resources correctly, to provide the information that your Privacy Policy requires, and to keep that information current and accurate.

After your Privacy Policy page is set, we suggest that you edit it. We would also suggest reviewing your Privacy Policy from time to time, especially after installing or updating any themes or plugins. There may be changes or new suggested information for you to consider adding to your policy.
